PROFESSIONAL EXPERIENCE

M2A Solutions   **June 2021 – Oct. 2021**
Data Analyst Intern   Los Angeles, CA
- Used Microsoft VBA to build a dashboard within Excel that allows for tracking of various Amazon suppliers' inventories to visualize restock dates based on expected and recent sales.
- Reduced program processing time from several hours to a few minutes; tool currently in use to manage 1100+ items.

LEADERSHIP EXPERIENCE

Data Literacy Club   **Dec. 2020 – July 2022**
Founder, Lead Instructor   *Community Middle School,* Plainsboro, NJ
- Coached using weekly 'What's Going on in This Graph' resource from the New York Times' The Learning Network.
- Taught elementary Statistics and Google Sheets to sixty students in total, grades 6 to 8, every Friday, over spring.
- 2022 capstone student project involving data collection, data analysis, and presentation. Club members designed and conducted school surveys regarding the classroom learning environment and teaching methods. 120 responses. Data was analyzed and findings were presented to the Vice Principal.

Emerging Economies Association   **Sep. 2023 – Present**
Social Chair, Tech Consultant   *Cornell University,* Ithaca, NY
- Organized events for 30+ members of the club, including scouting locations and booking venues.
- Currently working with iQor to explore options for improving employee productivity.

RESEARCH EXPERIENCE

Mathematical Logic   **May 2022 – Sep. 2022**
Student Researcher   *Cambridge University,* Cambridge, UK
- Wrote research paper focusing on supporting Russell's Theory of Descriptions and the value of empty definite descriptions.
- Mentored by Dr. Owen Griffiths, By-Fellow & Director of Studies Philosophy, Cambridge University.

Baseball Analytics   **Jan. 2024 - Present**
Data Analyst   *Cornell University,* Ithaca, NY
- Extracted and analyzed data from Synergy Baseball to gain insights on opposing player tendencies to develop scouting reports.
- Presented findings from research to Cornell's baseball coaching staff in weekly meetings.
- Extensively used R for data analysis and visualization.
